

# Astrovan V8 Engine Swap L31 350

**This page is the start of a L31 swap into a 1986 Astro with 97K miles on it. I purchased the production L31 with the hopes of doing a 4.3Z to a L31 adding more than 100 more HP under the hood. The engine swap was completed March of 2004**

L31 Still in the crate

L31 Rear view

L31 Side view

Vortec TBI Intake

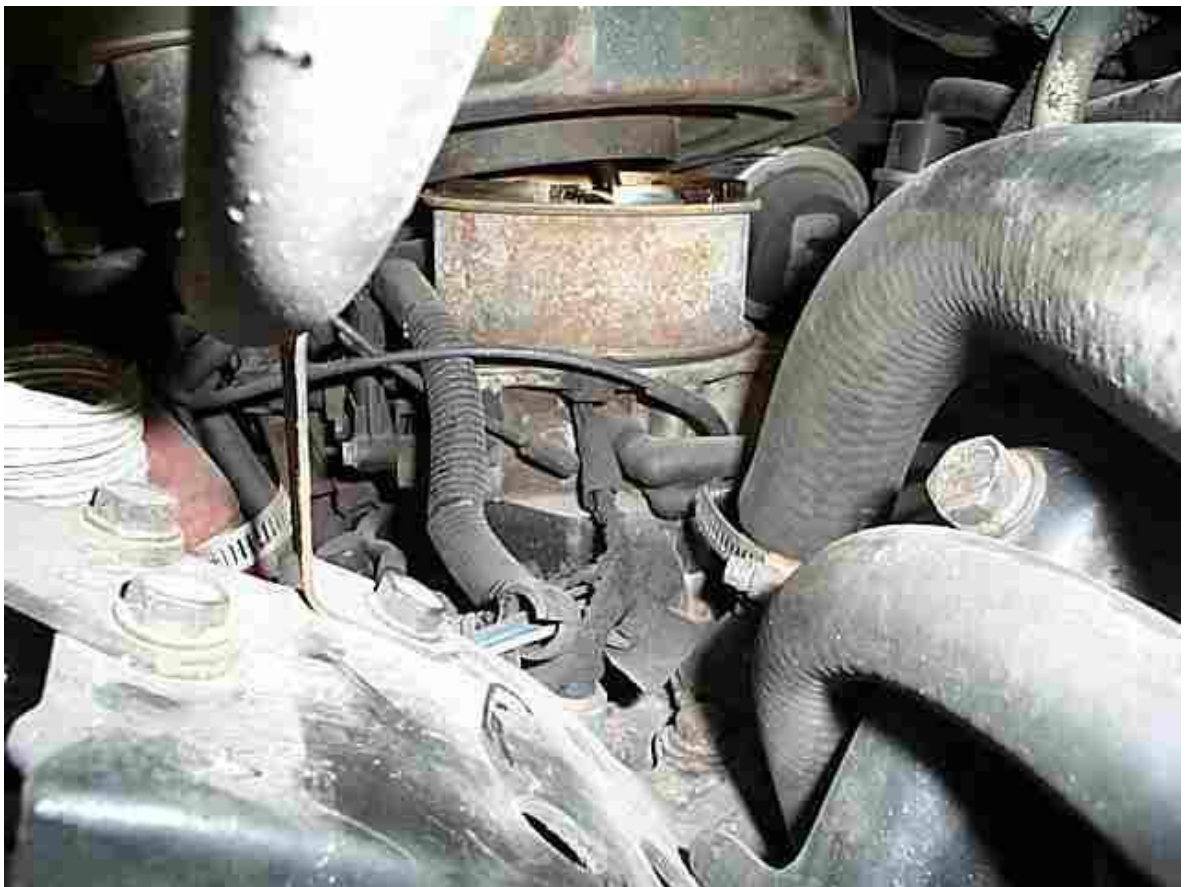

EGR, Cruise, Dist Added

V6 Removed

V6 Still sitting in subframe

V6 before swapping components

Subframe ready for install
