 =  Single Use Part

This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or valve. The parts are numbered 1 through 37. Key components include a central housing (30), a cover plate (8), a gasket (9), and various internal seals and fasteners. A large curved metal piece (29) is shown below the main assembly. A separate assembly of gears and shafts (11, 12, 13, 14, 15, 16, 17, 18, 19, 20) is shown to the right. A small component (22) is shown at the bottom left. A note 'FAT' with an arrow points to part 26. The diagram uses dashed lines to show the alignment and assembly sequence of the parts.

Make: Chevrolet
